Partnering innovation, adding value.

Anshul Life Sciences Partnership with Mingtai moves to Next Level

(October 1, 2014)

Partnership of nearly a decade between Anshul Life Sciences and Mingtai Chemical Co. Ltd. has strengthened even more with Anshul working as their only authorized channel partner for all India since 1st October, 2014.

Products from Mingtai include Microcrystalline Cellulose (Comprecel® grades), Croscarmellose Sodium (Disolcel®) and Colloidal MCC (Neocel®).
